

CRIME PREVENTION PATROL INTEROFFICE MEMO

TO: ALL OFFICERS
FROM: TOM TARSITANO, CHIEF
SUBJECT: MOCK TURTLENECK T-SHIRTS
DATE: 12/5/2006
CC:

After much resistance I have decided to give into the Assistant Chief and allow officers to wear mock turtleneck shirts with long sleeve uniform shirts with guidelines. If these guidelines are not followed completely I will rescind authorization to wear mock turtleneck shirts.

1. Some accounts or details you may be required to wear ties.
2. Ties will be optional once you get the mock shirt.
3. If this authorization is rescinded because of abuse or any other reason **no** officer will be reimbursed for the shirts purchased. I expect the only reason this would be rescinded is due to officer(s) not following the memo.
4. At present only one (1) type of mock turtleneck shirt is authorized (see below), if you wear any other t-shirt or mock shirt you will, at the very least be written up and/or this may be revoked and ties will be mandatory again.
5. Officers that decide to wear the mock turtleneck shirt must pay for them, the cost will be deducted from your payroll check. These shirts must be ordered through the company, we are purchasing them from a wholesaler.
6. Order on the attached order form.

The ONLY mock turtleneck shirt authorized must be purchased through Crime Prevention because we are ordering through a wholesaler.

Please do not make me regret this decision.
